Relevant Experience

UI/UX Design Intern | Creative Lab Studio | February 2024 – Present

- Assisted in designing a mobile app interface for a community volunteering platform using Figma.
- Created interactive prototypes, tested with users, and gathered feedback to enhance usability.
- Collaborated with senior designers on improving navigation flow and visual consistency.
- Helped redesign onboarding screens for a more friendly user experience.

UX Research Student Project | ULK University | September 2023 – January 2024

- Conducted surveys and interviews with students to understand pain points in campus digital services.
- Designed user personas and journey maps to support redesign ideas for the university's website.
- Built mid-fidelity prototypes and presented design concepts during class demonstrations.

Freelance Web Designer | Remote | June 2022 – August 2023

- Designed simple landing pages and portfolios for local clients using HTML, CSS, and Canva.
- Practiced brand design and typography to improve the overall look and feel of client websites.
- Focused on accessibility and mobile-friendly design to ensure usability across all devices.

Education

Bachelor of Software Engineering | ULK University, Rwanda | Expected Graduation: 2026

- Relevant Coursework: Human-Computer Interaction, UX Research, Interaction Design, Web Development, Data Visualization.

Tools & Skills

Design: Figma · Adobe XD · Canva · Photoshop · Prototyping · UI Design · Wireframing

Research: User Testing · Personas · Journey Mapping · Information Architecture · A/B Testing

Development: HTML · CSS · Basic JavaScript

Soft Skills: Communication · Teamwork ·

Creativity · Critical Thinking · Time Management
Usability Evaluation

Software

Figma · Sketch · Adobe Creative Suite · Keynote · Google Suite · Illustrator · Photoshop
· InDesign · Aftereffects · Adobe XD · HTML · CSS · Python · SQL (working knowledge) · SolidWorks · Power BI · Tableau
· Google Analytics · User Testing

Visual Design

Poster Design · Branding · Typography · Iconography · Content Design · Graphic Design · Web Design, Stylesheets and Guidelines · Content Creation

Languages

English (Fluent) · Arabic (Fluent) · French (Basic)

Awards & Achievements

Detail-oriented and passionate Software Engineering student specializing in UI/UX Design.

Motivated to create simple, accessible, and visually engaging digital experiences that make everyday tasks easier.

Eager to grow through real-world projects, teamwork, and continuous learning in design and research.
